Playground

Balance and Climbing Equipment

A huge thank you to the Chairperson of the Parents' Association, Liz Lane, for the massive work she put into securing a grant for us under the Community Enhancement Programme 2019 towards payment for our Active Low Level Trail. It is a magnificent piece of play equipment which was installed during December. Liz sourced the most competitive quotes, under grant guidelines (endless and time-consuming work), organised all the paperwork and the delivery of this playground equipment.

Sincere thanks to Abbeyleix Women's Development Group for their wonderful gift to us which we have used towards the cost of this playground equipment.

And finally, grateful thanks to our Parents' Association for funding the safety surfacing grass mats which are rubber honeycomb mats that sit on top of the grass. They protect the grass and offer extra protection to our pupils.

To all the above mentioned parties, THANK YOU!

Abbeyleix Christmas Lights

Many pupils sang carols and Christmas songs and played the recorder or other musical instruments at the turning on of the Abbeyleix Christmas Lights on Saturday 7th December. We are always delighted to be part of this community event.

Thanks to our Senior Infants' parents for their fundraising initiative for this amazing workshop.

Famous Irish Musician

Sharon Shannon

Visits Abbeyleix South N. S.

Third and Fourth Class students had just finished an extensive study of some of Sharon Shannon's best known tunes.

They followed up on this study by writing to the musician herself.

Mrs. Wallace, teacher of Third and Fourth Class received the news on Saturday January 11th that Sharon had offered to come to meet the pupils, play for them and answer any questions they may have.

Sharon arrived with her manager, Anne at the school on Friday January 17th .

The children congregated on the school avenue with handmade banners to welcome her.

They then moved to the G.P Hall where all classes had the opportunity to play instruments with her.

Students in the school who are members of Spink Comhaltas played alongside Sharon also.

Pupils from Third and Fourth Class, who wrote the letters that captured her attention were then lucky enough to have a questions and answers session with the world- renowned performer.

This was an opportunity of a lifetime for our school community. We were truly blessed to have had such a wonderfully gifted musician in our midst. She brought such happiness to our day, with her beaming smile, her immense warmth, her caring nature, her sincerity and her wonderful talent. She touched our hearts and we will never forget it.

Alf Harvey, Arthur Harvey, Ann Talbot were there to capture it all.

Their photographs are on display in the school. Many thanks to Ann (parent of Ruth, 6th class) and to Arthur (parent of Ellen, 6th class) for all the time they gave to the school on the day. Much appreciated.

A DREAM DAY FOR ALL
